To Benefit Lupa Zoo operated by Lupa Game Farm, Inc.

Proceeds of our event will benefit Lupa Zoo's efforts in enriching the community with an educational and recreational facility where families and schools can come and experience animals from all over the world in their natural habitat.

Westover Golf Course

Westover Golf Course was originally designed by Orin Smith as a 9 hole course for exclusive use by the USAF for visitors and officers stationed at, or visiting, Westover Air Field (an active SAC installation for many years) located in Chicopee, Ma.

The course is challenging for all levels of play, with plenty of traps, well placed trees, and an occasional pond. The course is rather flat so walking it is rather easy. Be aware, its length makes up for any advantage you may think you had.

Lupa Zoo's Mission

Lupa Zoo operated by Lupa Game Farm, Inc. is a private 501(c) (3) non-profit wildlife facility dedicated to promoting public awareness and understanding of the natural world around us. To provide educational programming and exhibits designed to foster an appreciation and respect for the conservation of animals and their ecosystems. To offer enjoyable, educational and family-oriented experiences in an urban recreational setting.
